CALL FOR ARTWORK: YOUTH LOGO DESIGN CONTEST

Second Notice

March 8, 2017

ATTN: BC First Nations Youth Artists
RE: BCAFN-BCBC Champions Roundtable Logo Design Contest

BACKGROUND:

The British Columbia Assembly of First Nations (BCAFN) and the Business Council of British Columbia (BCBC) signed a Memorandum of Understanding in 2016 to initiate a unique partnership based on economic reconciliation. The Champions Table was formed as a place where leaders come together to explore opportunities, discuss barriers, identify areas of common understanding and work jointly to develop and advance a more effective approach to economic development based on reconciliation. Eleven First Nations community and business leaders from across the province and eleven senior executives from business and industry have been selected as Champions to sit at the table and work towards promoting sustainable economic reconciliation.

CALL FOR ARTWORK:

The BCAFN is now accepting logo concepts submissions, which should display a visualization of the Champions Roundtable theme, "*Economic Reconciliation*" and, ideally, shall depict a blending of corporate and First Nations' cultures.

The artist selected will collaborate with an in-house graphic designer to ensure that the integrity of the art remains intact while making sure that the art works as a logo and branding.

The logo and the artwork contained therein will be used in all branding pertaining to the Champions Roundtable (letterhead, website etc).

The successful artist will receive a \$500 honoraria; however, BCAFN will retain ownership of the final product.

The successful logo will be selected by the Champions Roundtable representatives at the next scheduled meeting on May 12, 2017.
