

## **Tseshah First Nation Pharmacy Program**

Office at Tseshah First Nation Administration Building  
5091 Tsuma-as Drive Port Alberni, BC, V9Y 8X9

# ***A Partnership in Your Health Care Management***

Our Health Care Team at RX Ram Pharmacy Specialists is committed to providing First Nation Members a health care service that is unique and specifically focused on providing the very highest quality standard of health.

Our program is ***free*** and is based on the premise of RxRam Pharmacy Specialists creating a collaborative partnership with you and your other health care professionals including your doctor, to provide you the knowledge and tools to help you manage a healthy lifestyle.

### **Our program offers you the following benefits:**

- ✓ **A personal medical binder that is consistently updated by our RxRam Pharmacists that includes critical information for managing your health including:**
  - *Your up-to-date medications, allergies, drug programs, personal data and other critical information required by your Doctor or Emergency Response Personnel*
  - *All drug information related to the medications you are taking*
  - *An up-to-date medication profile printout from our Pharmacy*
  - *Current lab results so our Pharmacist can monitor and optimize your medication use and/or recommend medication changes to your Doctor if required*
  - *Ongoing Caregiver comments as a way for your Health Care Team to communicate with each other about issues relating to your health care*
  - *Articles specific to your medical conditions that will be carefully selected for you by our RxRam Pharmacists*
  - *Life style recommendations to improve your quality of life*
- ✓ **Emergency 24 hour access to our RxRam Pharmacists should you have questions or concerns**
- ✓ **Monthly medication reviews that are absolutely critical to managing your medical conditions**
- ✓ **Medication management (adapting a prescription) which includes changes, renewals, and substitutions as allowed under the current scope of Pharmacy practice in BC**
- ✓ **Excellent pricing on all non-prescription medications, medical supplies and medical equipment**
- ✓ **Billing directly to NIHB and Pharmacare (as well as other Third Party Medical Plans)**
- ✓ **Free delivery for all prescriptions**
