

TSESHAHT FIRST NATION
COUNCIL ELECTION 2020

Notice of New Election

Notice is hereby given to all Tseshaht First Nation Electors that the current election is cancelled and a new election is to be held.

The reason for this is that, due to an administrative error discovered today, I was provided with an incomplete Voter's List.

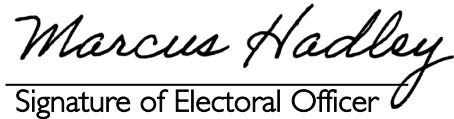

In fairness to those eligible voters that were not included on this Voters List, I have recommended to Tseshaht First Nation Administration and Council that it is in the best interest of the community to cancel the current election with polls scheduled for Saturday, October 17, 2020 and restart the election process.

Accordingly, the date of the Polls has been reset for the earliest possible date under the *Election Code* of **Saturday, December 12, 2020**. The new election process will begin with a new nomination mail out immediately, and a new Nomination Meeting being held on **Thursday, November 5, 2020**.

If you have any questions or concerns, please contact me by phone or email.

Given under my hand at Victoria, this 14th day of October 2020.
